

Dear NRI Patrons,

At the outset let me express my sincere gratitude to the NRI community for their unstinted support and patronage extended to the bank over the years that helped us to bolster our bank over the years.

With great contentment I am glad to inform that our bank could present an outstanding performance during first quarter of 2009-10 which was beyond market expectations despite the challenging economic scenario where we operate. The total business of the bank has increased by Rs.5272 crore from Rs.26020 crore to Rs.31292 crore on year to year basis registering a growth of 20.26%.

I take this opportunity to express my sincere gratitude to all NRI customers, who acted as a catalyst for the growth of our bank by their whole hearted support.

South Indian Bank, the bank that focus on technology and service delivery, has always come up with innovative banking products to meet the growing demands of our esteemed customers.
