The following may be noted for a better understanding of the issues related to accepting KYC documentation as mentioned above:

- a) If the address on the document submitted for identity proof by the prospective customer is same as that declared by him/her in the account opening form, the document may be accepted as a valid proof of both identity and address.
- b) If the address indicated on the document submitted for identity proof differs from the current address mentioned in the account opening form, a separate proof of address should be obtained.
