Mr. Murali Ramakrishnan, MD & CEO of the Bank, while announcing the results said that during the year FY 22, Bank could register growth in the desired segments like CASA & Retail Deposits on liability side and highly rated accounts in Corporate Segment, Gold Loan, Auto Loan etc on asset side.

During the year ended March 31, 2022, the bank could make a robust recovery and upgradation in NPA accounts amounting to Rs.1307 Crore compared to Rs.324 Crore during the corresponding period of previous year and the same had helped the Bank in substantially reducing the NPA levels.

The Capital Adequacy Ratio of the Bank had improved from 15.42% as on March 31, 2021 to 15.86% as on March 31, 2022.

Mr. Murali added that, the Bank had seen major shifts over last one year in the key functional areas viz. Digital Banking, Asset Structure, Revamping Branch Structure, New Business

Sourcing Channels, Data Science Capabilities, Learning & Development, Employee Engagement & Motivation and Collection & Recovery Mechanism.

Segments like business loans, Gold loans and SME will be the key focus area for FY 23, with strong backing of our digital banking capabilities. The bank will continue to churn Corporate Banking book maintaining quality, well rated portfolio. We are committed to scale up our business in a consistent and sustainable way.

The bank hopes to leverage the process of transformation and will endeavor to register Stable and Consistent Performance.
