Unit Linked Life Insurance Plan

"IN THIS POLICY, THE INVESTMENT RISK IN INVESTMENT PORTFOLIO IS BORNE BY THE POLICYHOLDER."

**The golden plan
for wealth creation**

Linked Insurance Products do not offer any liquidity during the first five years of the contract. The policyholder will not be able to withdraw/surrender the monies invested in Linked Insurance Products completely or partially till the end of the fifth year from inception.

Kotak Life Insurance presents to you, Kotak Ace Investment, an investment oriented unit linked life insurance plan. This plan offers you Investment Strategies along with convenient payment options to ensure efficient wealth creation.

Key Advantages

- ▶ Option to choose from multiple Investment Strategies
- ▶ Add more to your savings through Top-Up
- ▶ Enjoy liquidity through partial withdrawals
- ▶ Choice of Riders to enhance protection

Capitalize on unmatched options of 3 Investment Strategies to build a substantial corpus

To get the best out of your money it is important to determine your investment horizon. This enables you to establish your risk-return profile and thereafter choose the funds that suit you. Kotak Ace Investment offers you the flexibility to choose from 3 Investment Strategies;

- 1. Self Managed Strategy** - If you wish to manage your investment on your own
- 2. Age Based Strategy** - if you don't have the time or financial expertise in managing your investments
- 3. Systematic Switching Strategy (SSS)** - if you want to avail the benefit of equity investment in a systematic manner

This way you get exhaustive options to diversify your wealth and you don't need to look for any other investment avenue. Please refer to the Product Brochure for more details on Investment Strategy.

Add more to your savings through Top-Up

You can invest your surplus funds as Top-Ups, thus adding to your savings potential. You also enjoy Top-Up Sum Assured that adds to your existing cover.

Enjoy liquidity through partial withdrawals

When faced with an unexpected expense, many investors find themselves in a situation where a large withdrawal may not be possible from their fixed term investments. Kotak Ace Investment is structured to prevent this from happening. You can access your investment after completion of the 5 policy years by way of Partial Withdrawals. It will be allowed only if the Life Insured is a major.

Choice of Riders to enhance protection

To add to your protection we offer a choice of 2 riders:

- Kotak Accidental Death Benefit Rider (Linked): In addition to the death benefit as per the base plan, the Rider Sum Assured is payable in case of an unfortunate demise of the life insured due to accident.

- Kotak Permanent Disability Benefit Rider (Linked): In case of Total & Permanent disability of the life insured due to accident, the Rider Sum Assured is payable and the base policy continues.

Please refer to the respective Rider Brochures for more details.

Tax Benefits

Tax benefits are subject to conditions specified under section 10(10D) and section 80C of the Income-tax Act, 1961. Tax laws are subject to amendments from time to time. Customer is advised to take an independent view from tax consultant.
