5. SCOPE OF WORK:

The bidder's scope of work under this RFPQ is listed below:

- 1) The selected vendor will be responsible for the AMC of the network devices as mentioned in the RFPQ for period of 3 years from 01st April 2021 to 31st March 2024. The cost for each FY will be fixed initially at the time of contract negotiation and the same will be captured in the SLA which will be executed between the bank & the selected vendor.
- 2) The PO will be released for each Financial year for the AMC of network devices after the completion of detailed review based on the agreed commercials. If the count of AMC devices changes then the PO value will be changed accordingly.

- 3) If the bank decides to incorporate major change in the existing scope of work then the selected vendor must be capable of implementing the same. Vendor may quote additional cost for implementing these major changes at reasonable rates agreeable to bank. However, if bank feels the additional commercial quoted is not viable, then bank may terminate the contract and will rollout fresh RFPQ for mutual benefits.
- 4) The service maintenance work includes both hardware, software & license related items of network devices and the vendor should take all needful action to ensure the devices in good working condition.
- 5) The vendor should ensure all the Critical items mentioned in the AMC are back lined with OEM and the contract id for the same should be shared after the acceptance of PO.
- 6) The selected Service Provider has to supply the hardware parts and software required to rectify the hardware issues reported within the specified SLA levels.
- 7) The vendor should be able to cover the additional count of network devices (Existing device models) shared by the bank in time to time under the existing rate during the contract period.
- 8) The vendor should be able to include new line of items under the AMC on a mutually agreed rate during the contract period. The rate for new line of items should be comparable/par with the similar type of devices.
- 9) For items moving into AMC on expiry of warranty period, AMC charges shall be calculated on pro-rata basis for the broken period. Similarly, for items de-commissioned / phased out (retired) during the contract period, AMC charges shall be calculated on pro-rata basis up to the date of de-commissioning / retired and the amount shall be adjusted against payment due.
- 10) Vendor should replace the faulty devices with equivalent model or higher model as per the SLA terms.
- 11) Vendor should provide RMA devices with latest stable IOS version compatible with the hardware model in discussion with bank.
- 12) The vendor should not hold delivery of any RMA device to bank for any reasons without escalating the same to the management of bank in formal letter.
- 13) Call response: Vendor should ensure to provide high level of quality service promptly and any calls reported by the bank should be responded properly within 2 hours.
- 14) During the issuance of PO for each year, Bank may change the criticality nature (critical to non-critical) of devices based on its requirement and vendor should accept the same & provide necessary commercial benefits to bank if any.

- 15) Vendor should have their warehouse/storage facility at Cochin & Bangalore for providing RMA replacements to bank.
- 16) Bank has covered all of its network devices which has to be covered under AMC. However, there may be a deviation of 2% in the Serial number (for Non Critical items mentioned in the RFPQ) and the vendor should be able to cover the same under AMC without any additional cost, if bank raises RMA ticket.
 - a. If such deviation exceeds 2%, then for the same bank will be paying the additional cost per device based on the existing unit rate.

6. MODE OF OPERATIONS:

- 1) The bank will raise all RMA calls to the selected vendor and send a mail regarding the same for ticket booking.
- 2) Once the ticket is booked, the devices should be delivered in accordance to the SLA & criticality.
- 3) In case of critical devices, the same should be delivered to our IT department located at Kakkanad, Cochin or to our DR site located at Bangalore depending the location of faulty critical equipment within 4 hours.
- 4) In case of non-critical devices, the same should be delivered to our IT department located at Kakkanad, Cochin within the next business day.
- 5) The bank will return the faulty device to the vendor within 10 working days from the date of delivery/installation of RMA device.
- 6) Vendor should pick up the faulty device from the IT department located at Kakkanad, Cochin.
- 7) Bank will not pay any additional charges to the vendor towards packing / forwarding / freight / transit insurance etc., for the equipment during the contract.

21. COMPLIANCE CHECKLIST:

SL NO	SCOPE OF WORK	YES	NO
1	The selected vendor will be responsible for the AMC of the network devices as mentioned in the RFPQ for period of 3 years from 01 st April 2021 to 31 st March 2024. The cost for each FY will be fixed initially at the time of contract negotiation and the same will be captured in the SLA which will be executed between the bank & the selected vendor.		
2	The PO will be released for each Financial year for the AMC of network devices after the completion of detailed review based on the agreed commercials. If the count of AMC devices changes then the PO value will be changed accordingly.		
3	If the bank decides to incorporate major change in the existing scope of work, then the selected vendor must be capable of implementing the same. Vendor may quote additional cost for implementing these major changes at reasonable rates agreeable to bank. However, if bank feels the additional commercial quoted is not viable, then bank may terminate the contract and will rollout fresh RFPQ for mutual benefits.		
4	The service maintenance work includes both hardware, software & license related items of network devices and the vendor should take all needful action to ensure the devices in good working condition.		
5	The vendor should ensure all the Critical items mentioned in the AMC are back lined with OEM and the contract id for the same should be shared after the acceptance of PO.		
6	The selected Service Provider has to supply the hardware parts and software required to rectify the hardware issues reported within the specified SLA levels.		
7	The vendor should be able to cover the additional count of network devices (Existing device models) shared by the bank in time to time under the existing rate during the contract period.		
8	The vendor should be able to include new line of items under the AMC on a mutually agreed rate during the contract period. The rate for new line of items should be comparable/par with the similar type of devices.		
9	For items moving into AMC on expiry of warranty period, AMC charges shall be calculated on pro-rata basis for the broken period. Similarly, for items de-commissioned / phased out (retired) during the contract period, AMC charges shall be calculated on pro-rata basis up to the date of de-commissioning / retired and the amount shall be adjusted against payment due.		
10	Vendor should replace the faulty devices with equivalent model or higher model as per the SLA terms.		

11	Vendor should provide RMA devices with latest stable IOS version compatible with the hardware model in discussion with bank.		
12	The vendor should not hold delivery of any RMA device to bank for any reasons without escalating the same to the management of bank in formal letter.		
13	Call response: Vendor should ensure to provide high level of quality service promptly and any calls reported by the bank should be responded properly within 2 hours.		
14	During the issuance of PO for each year, Bank may change the criticality nature (critical to non-critical) of devices based on its requirement and vendor should accept the same & provide necessary commercial benefits to bank if any.		
15	Vendor should have their warehouse/storage facility at Cochin & Bangalore for providing RMA replacements to bank.		
16	Bank has covered all of its network devices which has to be covered under AMC. However, there may be a deviation of 2% in the Serial number (for Non Critical items mentioned in the RFPQ) and the vendor should be able to cover the same under AMC without any additional cost, if bank raises RMA ticket.		

SL NO	MODE OF OPERATION	YES	NO
1	The bank will raise all RMA calls to the selected vendor and send a mail regarding the same for ticket booking.		
2	Once the ticket is booked, the devices should be delivered in accordance to the SLA & criticality.		
3	In case of critical devices, the same should be delivered to our IT department located at Kakkanad, Cochin or to our DR site located at Bangalore depending the location of faulty critical equipment within 4 hours.		
4	In case of non-critical devices, the same should be delivered to our IT department located at Kakkanad, Cochin within the next business day.		
5	The bank will return the faulty device to the vendor within 10 working days from the date of delivery/installation of RMA device.		
6	Vendor should pick up the faulty device from the IT department located at Kakkanad, Cochin.		
7	Bank will not pay any additional charges to the vendor towards packing / forwarding / freight / transit insurance etc., for the equipment during the contract.		

SL NO	SERVICE LEVEL	YES	NO
	Critical devices:		

1	Working days: All days of a week and 24 * 7.		
2	Faulty items under AMC should be replaced with equivalent or higher model without any additional cost to bank.		
3	The vendor should replace all our critical devices within 4 hours from call-log on 24*7 basis and the replacement device should be properly aligned with OEM.		
4	The vendor should ensure all software related issues should be addressed and rectified within 4 hours from the time of ticket booking		
5	Vendor should provide onsite/remote assistance for troubleshooting software/hardware issues of critical devices.		
6	The penalty for failing to replace the critical devices under the specified time interval will be INR 1000/Hr/device.		
7	The penalty for not back lining the critical devices with OEM will be INR 10% of the unit cost of the device model per device.		
	Non critical devices		
1	Working days: Six days a week (Monday to Saturday, 2nd & 4th Saturday are holidays) and working hours 9 AM to 6 PM for non-critical devices		
2	Faulty non critical items should be delivered to the bank's IT Department on the next business day with equivalent or higher model without any additional cost to bank.		
3	The failing to replace the non-critical items within the above mentioned SLA will attract a penalty of 200/day/device		

SL NO	SLA, NDA & KYC	YES	NO
1	The Successful bidder will sign SLA and NDA with Bank within 60 days from the date of empanelment in the format provided by the Bank. Refusing to sign the same will be treated as breach of Contract and Purchase Order will be deemed cancelled. The Service Level Agreement (SLA) must be supported by an excellent operational planning, support, procedures, proposal of SLA should clearly have acceptance of all terms & conditions.		
2	Vendor has to submit the due diligence KYC form and its related support documents if requested by the bank		

SL NO	REVIEW OF SERVICES	YES	NO

1	The vendor's performance will be reviewed by the Bank periodically and a final detailed review will be held before the end of each financial year before issuing PO. Based on these reviews, if the selected bidder fails to satisfy/ maintain their commitment/SLA, the PO for the next year shall not be issued and bank may terminate the contract and go for fresh services.		
2	Vendor must support bank with monthly report of AMC devices which consists of details such as faulty device serial number, model, RMA device serial number, type of device, ticket number, resolution time etc.,		
3	If the bank decides to incorporate major change in the existing scope of work then the selected vendor must be capable of implementing the same. Vendor may quote additional cost for implementing these major changes at reasonable rates agreeable to bank. However, if bank feels the additional commercial quoted is not viable, then bank may terminate the contract and will rollout fresh RFPQ for mutual benefits.
