- 3 The above financial results for the quarter and year ended March 31, 2021 were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on May 21, 2021. These results are subjected to audit by the Statutory Central Auditor of the Bank.
- 4 The figures for the Quarters ended March 31, 2021 and March 31, 2020 are the balancing figures between audited figures in respect of the full financial year and the unaudited published year to date figures upto the end of the third quarter of the respective financial years, which were subject to limited review.
- 5 The Bank has consistently applied its significant accounting policies in the preparation of its quarterly financial results and its annual financial statements during the years ended March 31, 2021 and March 31, 2020.
- 6 As permitted by Reserve Bank of India (RBI) vide circular DBR No. BP. BC.92/21.04.048/2015-16 dated April 18, 2016, the bank has exercised the option to make provisions towards Non-Performing Advances identified as fraud accounts during quarter ended June 30, 2020 over a period of four quarters. Accordingly, the Bank has debited a sum of ₹11,634 Lakhs to the Profit and Loss Account for the quarter ended March 31, 2021 being 25% of the provision required towards accounts identified as fraud. There are no unamortised provision as at March 31, 2021.

- 7 The Reserve Bank of India (RBI), vide notification dated December 4, 2020, stated that in view of the ongoing stress and heightened uncertainty on account of COVID-19, banks should continue to conserve capital to support the economy and absorb losses. The notification also stated that in order to further strengthen the banks' balance sheets, while at the same time support lending to the real economy, banks shall not make any dividend payment on equity shares from the profits pertaining to the financial year ended March 31, 2020. The Bank did not declare final dividend for the Financial Year ended March 31, 2020. Given that the current "second wave" has significantly increased the number of COVID-19 cases in India and uncertainty remains, the Board of Directors of the Bank, at its meeting held on May 21, 2021, has considered it prudent not to propose dividend for the Financial Year ended March 31, 2021.
- 8 During the year ended March 31, 2021, the aggregate book value of sale and transfer of securities to/from HTM category has exceeded the threshold limit of 5% of the book value of investments held in HTM category at the beginning of the year as specified by RBI. However, since the market value of investments held in HTM category as at March 31, 2021 amounting to ₹ 1,802,999.05 Lakhs is higher than the corresponding book value of such investment amounting to ₹ 1,779,166.71 Lakhs, no provision is required to be made in respect of the same.
- 9 During the quarter and year ended March 31, 2021, the Bank has alotted 28,3018,867 (Twenty-eight crore thirty lakh eighteen thousand eight hundred and sixty-seven) equity shares ("Shares") of face value of ₹ 1 (Indian Rupees One only) at a premium of INR 7.48/-each (Indian Rupees Eight and Paisa Forty-eight only) on preferential basis, aggregating to ₹ 23,999 Lakhs.
- 10 Consequent to the outbreak of the COVID-19 pandemic, the Indian government announced a lockdown in March 2020. Subsequently, the national lockdown was lifted by the government, but regional lockdowns continue to be implemented in areas with a significant number of COVID-19 cases. The impact of COVID-19, including changes in customer behaviour and pandemic fears, as well as restrictions on business and individual activities, has led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. The extent to which the COVID-19 pandemic, including the current "second wave" that has significantly increased the number of cases in India, continue to impact the Bank's results will depend on ongoing as well as future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by us.

As per the 'COVID-19 Regulatory Packages' announced by the RBI ('the RBI guidelines'), with regard to providing relief to borrowers', whose accounts were standard as on February 29, 2020, the Bank, in accordance with the Board approved policy had offered moratorium on repayment of loan instalments and/or deferment of interest due between March 1, 2020 and August 31, 2020, including relaxation in certain parameters to all eligible borrowers, without considering the same as restructuring. In respect of such accounts that were granted moratorium, the asset classification remained standstill during the moratorium period. The Honourable Supreme Court in a writ petition by Gajendra Sharma Vs Union of India & Anr vide its interim order dated September 3, 2020 had directed Banks that the accounts which were not declared as Non Performing asset (NPA) till August 31, 2020 shall not be declared as NPA till further orders, pending disposal of the case by Supreme Court. Pursuant to the order, the Bank had not declared any account as NPA, which was not declared as NPA till August 31, 2020 as per the RBI Prudential norms on Income Recognition, Asset classification, and provisioning pertaining to advances, although the Bank held sufficient provisions in respect of these advances and as a prudent measure, did not recognize the unrealized interest on these accounts as income. Pending final decision in this regard, the Bank had created adequate provisions to cover any likely impact arising therefrom, which was carried under Other liabilities and Provisions' in the Balance sheet of the Bank as at December 31, 2020. The interim order to not declare accounts as NPA has been vacated by the Honourable Supreme Court on March 23, 2021 vide judgement in the matter of Small-Scale Industrial Manufacturers Association vs. UOI & Ors and RBI has issued a circular dated April 07, 2021 thereon, in accordance with which the Bank has made the asset classification of borrower accounts which were granted moratorium as above, as per the applicable e

As stated above, the Bank held a provision of ₹ 275,74 Lakhs as on December 31, 2020 against the likely impact of COVID-19, including the RBI mandated provision as per such guidelines. During the current quarter, the bank has utilized ₹ 967 Lakhs from the above provision for creation of RBI mandated provision for advances restructured under "Resolution framework for COVID-19 related stress" and an amount of ₹ 266,07 Lakhs towards the provision required as per extant IRAC norms.

In accordance with the scheme announced by the Government of India on October 23, 2020 for grant of ex-gratia payment of difference between compound interest and simple interest for six months to borrowers in specified loan accounts (March 01, 2020 to August 31,2020), the Bank had submitted the requisite claim amounting to ₹ 1,356 Lakhs and credited the accounts of the eligible borrowers. Further, in accordance with the decision of the Honourable Supreme Court on March 23, 2021 in the matter of Small-Scale Industrial Manufacturers Association vs. UOI & Ors instructions, the aforesaid RBI circular dated April 07, 2021 and the methodology for calculation of the amount as notified by the Indian Banks Association (IBA), the Bank created a provision of ₹ 1,740 Lakhs towards estimated refund/adjustment of compound interest/interest on interest/penal interest charged to the borrowers not covered under the above ex-gratia scheme during the moratorium period i.e. March 1, 2020 to August 31, 2020 and reduced the same from interest income.
