Organisational structure

Road Ahead

Retail Advances

- Full retail product suite in line with the best-in-the-industry
- Focused approach towards growing the gold loan portfolio
- DSA-DST being rolled out selectively

MSME Lending

- Specific CRMs to deepen relationships with existing borrowers
- Dedicated teams have been created to source fresh business; cluster heads manage business in designated areas
- CRMs are entrusted with liability and cross selling targets
- More emphasis is being given to vendor financing & dealer financing

Agri Loans

- Higher business volumes from identified agriculture clusters
- Food & Agri processing units

Corporate Loans

- Very selective cases with exposure above Rs. 100 crore
- Focus on lower ticket size in identified geographies (Rs. 25 - 50 crore)
- Share of corporate exposures to reduce to 25%

Increased share of higher-yielding non-corporate loans and reduced slippages to improve yields

Acquisition strategy

- Equal focus on New-to-Bank clients and on deepening existing relationships

Focus more on Retail Term Deposits

Share of NR deposits to grow; emphasis on low-cost NRI deposits

- Exclusive NR Relationship Managers in Kerala
- Representative offices in the Middle East, headed by bank executives
- New Tie ups with banks / exchange houses for facilitating remittance to SIB accounts

Government Business Department to focus on Government business

- Customized collection and payment solutions for govt. institutions

Share of CASA deposits to increase to 30% in the near term

Fee Income and Others

Product suite in place to improve the non-fund based income

- Active and risk-appropriate treasury management
- Trade and Retail Forex business

Mutual Fund

- Online investment platform “i-invest”; mobile app version to be launched soon
- Additional tie-ups with AMCs to provide customers more options

Income from sale of Third-party Insurance products

- Centrally driven common campaigns for all forms of Insurance
- Cross selling to the over 6 million strong existing customer base
- 100% coverage of retails loans through credit life products

More thrust to corporate NPS accounts by clubbing it with current accounts

SIBerTrade Business

- Increased tie-ups with stock broking companies
- Online Demat & Trading Account opening to reduce TAT

Key enablers

Human Resources

- **Revamped medium-to-long term plan for Talent Acquisition, Performance Management, Career Management and Total Rewards under implementation**

Digitisation and Analytics is a strong theme across all spheres within the Bank

- **Business, Operations, Risk management and Customer relations**

Increase and deepen our geographical presence profitably

- **1,000+ brick-n-mortar touch points by 2022**
- **Branches in all industrial areas**
- **Focus areas for branch expansion: Coastal Andhra, Western India, North East**
- **Operational efficiency to improve further through retail assets & CASA**

Summary

Key Takeaways

Transformation into a Retail Banking Powerhouse nearly complete

Experienced and hands-on management; diversified and independent Board

Robust corporate governance and risk management framework in place

Asset quality issues identified and adequately provided for

Long & fruitful history with over 6 million domestic and NRI customers

Continuous value accretion for all internal and external stakeholders

Mantra of “Profitable Growth” strictly adhered to at all times

South Indian Bank - Retail Banking

***- Mr. Sanchay Sinha
(Country Head, Retail Banking)***

Our Strategy...

Expand Retail Business

- New Retail Banking Department to focus on retail loan & liability/investment products
- Efficient branches & processing centers for faster processing of loans
- Outbound Sales team
- Continuous training of work force
- Advanced technology for ease of customers
- Invest in Brand Building

Strengthen SME Base

- Cluster based approach in industry hubs
- Sole Banker to SMEs for all banking needs
- Dedicated vertical to penetrate SME banking

Improve CASA

- Strategy & Road map in place to increase CASA funds
- Alternate channels for mobilising CASA
- Centralized processes allowing branches to focus on garnering low cost funds
- Continuous improvement/review of products

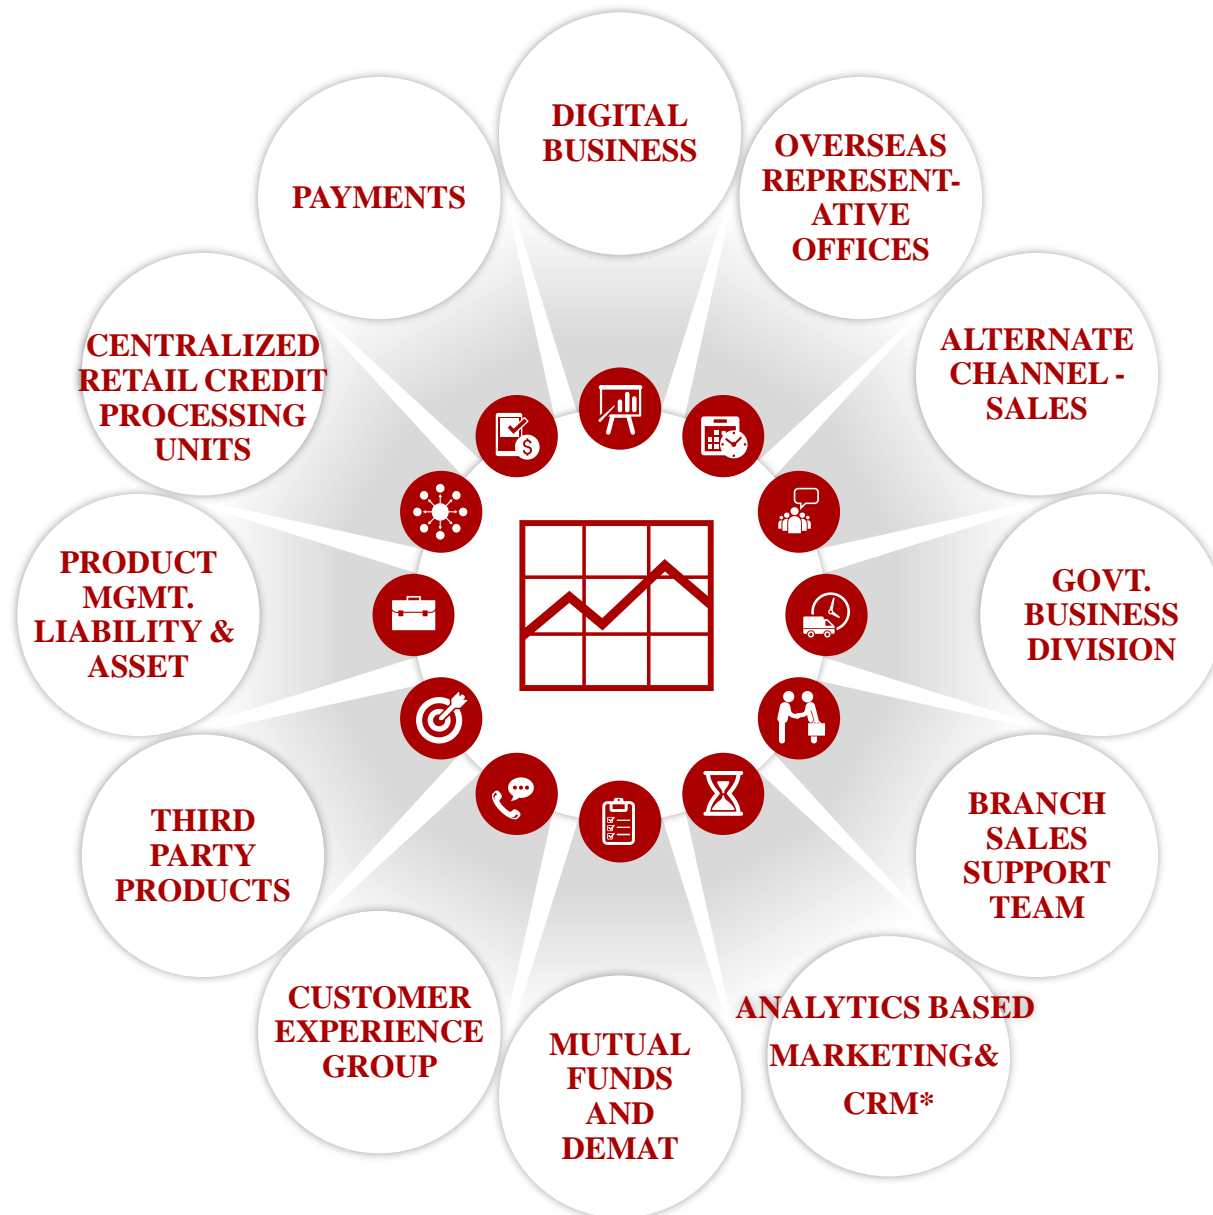

Enhance Asset Quality

- Granulize loan portfolio to spread out risk
- Cautious approach on large corporate lending
- Special cell for monitoring non performing and restructured assets

Improve share of other Income

- Focus on increasing banking services for SME, Retail, NRI
- Enhance treasury capabilities & increase branch strength
- Expand POS/ATM Network and all digital channels
- Leveraging technology to introduce modern & new-age banking products
- Focus on 3rd Party/Investment products to generate more other income
