SOUTH INDIAN BANK

Scope of Forensic Audit

The scope of Forensic audit will extend to following aspects relating to a borrower:

1. Capacity to pay: Examine as to if the borrower has defaulted in meeting its payment / repayment obligations to the bank even when it has the capacity to honour the same.
2. Money trail & End use of funds financed by the Bank/lenders.
3. Diversion of funds: diversion of funds on the part of borrower would be construed in any of the undernoted occurrences
4. Utilization of short term working capital funds for long term purposes not in conformity with the terms of sanction;
5. Deploying borrowed funds for purposes / activities or creation of assets other than those for which the loan was sanctioned.
6. Transferring borrowed funds to the subsidiaries / group companies or other Corporate by whatever modalities.
7. Routing of funds through any bank other than the lender bank or members of consortium without prior permission of the bank/lenders.
8. Investment in other companies by way of acquiring equities / debt instruments without approval of lenders.
9. Shortfall in deployment of funds vis-à-vis the amounts disbursed / drawn and the difference not being accounted for.
10. Siphoning off funds: siphoning off funds on the part of borrower would be construed to occur if any funds borrowed from bank are utilized for purposes un-related to the operations of the borrower, to the detriment of the financial health of the entity and/or the lender.
11. Capital Structure: Tracing the source of contribution by promoters by analyzing equity / debt infused by promoters / partners.
12. Abnormal trade transactions: Commenting on transactions of substantial amount, which seem not to be normal trade transactions at arm's length.
13. Sales: Verifying revenue from operations including checking sale order, invoices and controls in billing process. The focus should be on inflated turnover / fictitious sales and /

or Sales on Return (SOR) basis where profit has been booked and sales returned in the subsequent accounting period leading to writing off of stocks / debtors and reversal of booked profits. The sustainability of sales in future years should be co-related with Technical and Viability (TEV) study.

14. Details of all transactions with banks other than our bank.
15. Concentrating transactions – sole customer, sole supplier, major transactions with related parties / group companies, analysis of relationship in two-way deals with the same party or indirect payments made by customers of the borrower to the vendors of borrower,
16. Movements in unsecured loans during specified period
17. Details of substantial debts raised in sister / associate / group companies either through corporate guarantee of borrower or against security of promoters or promoters' family assets.
18. Verifying receivables thoroughly as there have been cases where the units have shown reciprocal receivables against each other, especially in case of related parties.
19. Finding details of assets of unit / its promoter (s) / partners to ensure recovery of loans granted by banks as there would be cases where some assets are not reported in financials of the unit / promoters / partners.
20. Examining chain of transactions pertaining to unit / promoters / partners to ensure genuineness of the dealings as there could be cases of bogus family/other transactions.
21. Examining stocks / inventory & purchase transactions in particular with related parties / sister concerns.
22. Identifying the type of fraud that has been operating, how long it has been operating for, and how the fraud has been concealed.
23. Identifying the fraudster(s) involved.
24. Quantifying the financial loss suffered by the bank.
