

## TRAVEL CARD FEATURES

<b>Features</b>	<b>Description</b>
<b>Global Acceptance</b>	You can carry multiple currencies (USD, EUR, GBP, SGD, AUD, CAD, JPY, CHF, SEK, THB, AED, SAR, HKD, NZD, ZAR & DKK) on a single card, thereby making it a convenient way to carry forex and make payments while travelling to multiple countries.
<b>Convenience</b>	You need to maintain only one ATM pin & customer portal login password across all currency wallets thereby making it convenient and simple to use. The card can intelligently utilize funds across multiple currency wallets without any cross currency charges.
<b>Reasonable Charges</b>	The usage fees and charges are very low when compared to using a debit card or credit card abroad.
<b>Reload</b>	The travel card can be reloaded any number of times even during travel as per FEMA guidelines.
<b>Higher transaction limit</b>	The daily transaction limit of SIB travel card is upto 10,000 USD per day for online transactions and 5,000 USD per day for ATM withdrawal.
<b>Safe and secure</b>	ATM transactions are secured by a 4 digit PIN number and online transactions have the additional security of “verified by Visa”
<b>5 years validity</b>	The travel card is valid for a period of 5 years.
<b>Encashment of unspent amount</b>	The unutilized currency in the card can be encashed on return to India.
<b>Limited Loss</b>	In the event of card being lost, the maximum damage is limited to the amount loaded in the card.
<b>24 ×7 access to funds</b>	You can use the Multi-Currency Travel Card at over 30 million Visa merchant outlets, 1 million plus VISA ATMs and 100,000 ecommerce websites.
